# EXPEDITED LICENSURE PROCESS FOR INTERNATIONAL NURSES

In the Spring of 2023, NSCN implemented two expedited registration and licensure processes, establishing a fast and predictable pathway to licensure in Nova Scotia for registered nurses who demonstrate good standing and good character and are licensed elsewhere in Canada, or the Philippines, India, Nigeria, USA, UK, Australia, or New Zealand. This report reflects data since November 1, 2023, the start of our 2023-2024 licensure year, and onwards.

<sup>5</sup> The totals on this page may vary slightly from the totals above because they include legacy applicants who were in the licensure process before the launch of the expedited process but are included in the count of licenses issued under the expedited process.

### Additional Notes

The above processes are being implemented while also maintaining NSCN's existing annual registration and licensure renewal process, for the 16,000+ nurses already registered in the province.
